NEWS

🍌 School begins at 9:00 AM. Drop off begins at 8:45. Anyone who arrives after 9:00 AM please ring the bell as all outside doors are locked to ensure the safety of our students. The left lane is the drop-off lane and pickup lane. The left hand side of McHough Street no longer has parking spots as this is a fire lane. If you would like to park and walk your child in or walk to pick up you must park in the lots off Edgewood Ave. Please use caution while crossing at the crosswalk. You need your carpool number at pickup whether you are in the line are walking up. Pickup begins at 11:45. If your child will be riding home with someone not listed on your pick up list, you will need to send in a signed and dated note. They may be asked to show ID. ***IMPORTANT*** during pickup children must be holding hands with an adult at all times. Teachers will walk children to you and hand them off. Please remind your children of this.

🍌 Birthday celebrations are very important to us! If you would like to send in a special snack, please check with your teacher about allergies that may be in your child's class.

🍌 Please do not send drinks to school with your child. We have filtered water to go with our snacks. Sippy cups and juice boxes are not necessary and cause confusion when some children have them and some do not.

🍌 Be sure to follow us on facebook! And check out our webpage at www.forthillchurch.org for newsletters, calendars, the handbook, as well as other important information.

🍌 Your child will receive a handbook at open house. Be sure to review all of our policies and procedures carefully.

🍌 Plan to bring current immunization forms to Open House. They are due by September 14th.
