## Message From the Pastor

### God Encounters

The Hebrew children were a wandering people after they were freed from slavery under Pharaoh. They could not imagine a meeting place like we have today for gathering and worshipping God. As they wandered in the wilderness the "tabernacle" or the "tent of meeting" was the place which reminded them of God's presence with them. The Sinai wilderness wanderings were filled with times of trial and troubles like the threat of hunger and thirst. They had the tabernacle to remind them that God dwelled with them in their midst. The people and their sanctuary were mobile.

As you come and go this summer I hope you will find ways to be attuned to God's presence through prayer, fellowship, and worship, both personal and together as a church. While we undergo a renovation, we will continue to worship or meet in different or new places. Just imagine this summer as our Exodus journey as we tabernacle with God. The biggest lesson God was teaching the Hebrew children was that of trust. We worship and serve a trustworthy God even with the hiccups and changes. So please be patient and open to what God might do with us as we enter into our exodus journey.

When my mother was a child, her family helped start the Westminster Presbyterian Church on Augusta St. in Greenville, when that was the edge of town (can you imagine?). They worshipped in a tent for a long time when they first began. I asked her what it was like to start a church. Her response, "We felt like we were on a big adventure!" As we continue the big adventure of faith, let's enjoy the ride and practice the presence of God. We just never know what surprises God might have in store for us as we are re-formed and reshaped in the image of Christ by the Holy Spirit.

*Spirit of the living God, fall afresh on us...melt us, mold, us, fills, use us!  
Spirit of the living God fall afresh on us. (Glory to God hymnal, No. 288)*

Enjoy the journey!

*Pastor Laura*

## Welcome Scott Thraikill

As many of you may already know,  
Scott Thraikill has been working at  
Fort Hill as our Facilities Caretaker  
since January. However until now,  
he has been working through a  
staffing agency. Effective June 1,  
Scott has become an official Fort  
Hill employee. He has already  
proven to be a valuable part of our  
staff in working diligently to help us  
prepare for the renovation project  
that just began.

If you have not already done so,  
please join the staff in making Scott  
feel like a welcome part of the  
Fort Hill Church family.

## Choir Corner

Summer is upon us. Heat, humidity, thunderstorms, vacations, beaches, mountains, conferences, iced tea, watermelon, time with kids and grandkids. (My daughter recently suggested we open Camp MacKay for a week for the granddaughter and grandson — I'm not sure what all that entails, but it sounds like fun and WORK!!! Good work!)

Summer can incorporate changes in our schedules with different events and some laid back time. I always go to the Worship and Music Conference at Montreat in June. That is HEAVEN on earth! And the choir takes off the end of June-July allowing some respite and time for individuals and small groups to share their gifts.

This summer, of course, is allowing many physical changes to our facilities; good changes to bring newness, freshness, safety, comfort, etc. What new things are you doing this summer? Going somewhere you've never been before? Visiting friends or family you haven't seen in a while? Listening to a new anthem or singing a new hymn and saying, "Wow! I heard God's voice speak to me through those words and melodies."

For the music ministry at Fort Hill the summer months mean readying ourselves for new space, rearranging, regrouping, merging the old and the new. That's a good thing as we continue to build the bridge of generations. It's exciting and fun.

In May, we said goodbye to a faithful choir member who graduated from Clemson with his Ph.D. in math. Lucas Waddell came to us from Pennsylvania. He is moving to Albuquerque, NM where he will begin a new life and career. He has contributed greatly to the tenor section for 3+ years and lowered the average age of the choir significantly!! Dr. Waddell, we wish you well. Keep a song in your heart and singing always.

Everyone, have a great summer! Do something different. Sing a new song.

Smiling-n-Singing,

## Dare to Dream: Built on a Firm Foundation

*Now to him who by the power at work within us is able to accomplish abundantly far more than all we can ask or imagine, to him be glory in the church and in Christ Jesus to all generations...*  
Ephesians 3:20-21a

The culmination of work over the past two years has led us to the point of having a detailed project plan and schedule for the renovation of our entire campus. The congregation has successfully supported the renovation project through pledges in the capital campaign. The session and congregation has approved moving forward with the renovation construction efforts.

We are currently in the process of packing and cleaning out the areas which will become construction zones in the near future. Plans are in place to adapt to the pending construction so we can continue with our church services as best as possible.

Construction activities began on May 26 for the renovation. The key renovation schedule dates are listed below for awareness and are subject to change.

Education Building: 5/26—8/31/15 Sanctuary: 6/29—8/7/15  
Bethlehem Hall: 6/1—8/21/15 Tartan Hall: 8/10—10/16/15  
Elevator: 6/22—10/15/15 Admin Building: 11/11—12/16/15

The Sanctuary work will be sequenced to minimize the number of Sundays that the Sanctuary will be unavailable. The current project plan has only three Sundays impacted with the other weeks having Sanctuary work areas cleaned up prior to Sunday for the Sanctuary to be used for services.

Thank you for all of the support that has been provided during this process. Also, thanks for your patience as we work through the renovation activities.

# Christian Education Ministry Update

Our renovations for better future spaces means making adjustments and experiencing coziness for the summer. Thank you for your spirit of cooperation.

Nursery location has been change to the Club room for the duration of the education building renovation. The Club Room is located on the first floor of the Administration Building, just down the steps from Tartan Hall.

The nursery volunteer schedule for the rest of the summer and the next year will be sent this month.

# From the Finance Ministry

Through April, total income was \$323,073 while expenses for the first four months were \$266,010 leaving a surplus of \$57,062. Overall expenses are at 28.6% of budget, while income is at 34.8%. As you can see income is about 1% above budget while expenses are about 5% below budget. Session ministry chairs are doing a great job of managing expenses, and thanks to your financial support, Fort Hill is able to continue its ministries to members, community, and around the world.

REMEMBER to designate any pledge payments to the Building Fund as "Building Fund".

# News From Presbyterian Women

## Presbyterian Women of Fort Hill Honorary Life Membership Award

Congratulations to **Marcia Sherman**, this year's recipient of the prestigious *Presbyterian Women's Honorary Life Membership Award*, given in recognition of her outstanding contribution of service to the life of the church. Marcia received this recognition at the 2015 PW Birthday Luncheon in April. Again, warmest congratulations, Marcia!

## May Magazine Collections for Campbell Veterans Hospital and Harris Psychiatric Hospital

Thank you to everyone who donated magazines, books, and puzzles for **Campbell Veterans Hospital** and **Harris Psychiatric Hospital**. Your support for this worthwhile project is appreciated!

## Thank You to our Family Promise Volunteers!!

May 10-18 we hosted a family of three, a mom, her 5-year-old daughter, and her 3-year-old son. Thank you, volunteers, for making this a time to show care and concern for those in our community who are having a difficult time finding housing and work. Our families from November and February have moved into their new homes and are grateful for your care when they needed it the most.

Please consider volunteering for this worthy endeavor next November, when we will again be hosting families.

# Fort Hill Presbyterian Mission Outreach

## Terrier Rouge, Haiti – May 1-9, 2015

It is a time of new beginnings at Fort Hill Presbyterian Church! A new building project is underway to freshen and update the campus, and with it are new programs and opportunities to expand our spiritual lives, stretching beyond our comfort zones by personally serving the less fortunate. Our Mission Outreach is up and moving, seeking to send teams from Fort Hill to care for our global families in need. We have planned several trips at locations near home or abroad for this year, giving those of you who wish to take your commitment to serve Christ up another level. Prepare to be blessed and transformed!

Our first team, lead by Larry Sloan, visited Terrier Rouge, Haiti to experience first hand the work of Bethlehem Ministry, its medical clinic and school, and farms. The team members were Larry and Cindy Sloan, Jim London, Art and Gail Williams, and Mary Barron. Trey Scott, the Co-Director of Bethlehem Ministry, from Athens, GA accompanied us. We brought with us a donation from our church that helped build a house, paint a house, and provide enough food to feed hundreds of impoverished Haitians. We received the gift of sharing the culture of the Haitians, slowing our pace to go with the flow, taking time to enjoy the curiosity and exuberance of the children at the school, listening to the marching band practice, walking the dusty paths in the company of goats and pigs, listening to the background sounds of conversations of folks sitting and visiting in the shade of the trees, and having leisurely mealtime conversations with Father Bruno. We smiled a lot.

There is so much to share! Father Bruno, a native Haitian and retired Episcopal priest, shared his vision for the school at Bethlehem Ministry with other like-minded individuals in 2002, and now the school serves nearly 900 students, with 80 more enrolled for next fall. Next year they will graduate the first class to attend all 13 grades, beginning with a Montessori 3-year old class to age 17. The school (Saint Barthelemy Center), located in Terrier Rouge (population 12,000), operated solely on its own solar-powered electricity to the town. Terrier Rouge now has wells in the town with pumps for gathering water, but still has no running water or sewers available to the homes.

On the day we arrived to Bethlehem Ministry we met Melissa Hamlin, a new Co-Director of *Clinique Esperance et Vie*, the medical clinic. She took us on a tour of the facility that housed examination rooms, waiting and recovery areas, a pharmacy, and rooms for eye and dental care. All of this was built after 2002 when Father Bruno bought the property. Our Fort Hill Medical Eye Mission with Dr. Bob Brown and his team did eye surgeries here several years ago. The rooms in the clinic are furnished with donations from a host of benefactors and congregations who are helping to improve the health of the Haitian people. While we were there we learned of needs for stabilizing the rack holding the clinic's water supply, and saw evidence of the need for a qualified electrician to clean up the junction box (yikes!). They also need air conditioners, gutters installed, and a large storage room cleaned and organized. A mission team coming later in May will bring needed blinds to keep the rooms cooler.

The need for a school, medical clinic, and industries to employ the workforce in this area inspired Father Bruno to work for change and empower his fellow Haitians. We were able to visit the Ngo irrigated farm crops project t, the Jatrofa Project for planting trees whose seeds yield oil for soaps, the Heifer International Project goats, and the farm for growing plants, the fiber from which Haitian craftswomen weave to make goods for resale.

Knowing beforehand that we would be painting, we brought paint supplies with us to paint a house in Terrier Rouge. The house was built from donations to Bethlehem Ministry and housed a three-generation family. Previously the whole family had lived in their approximately 12'x12' house made of sticks and mud with a dirt floor. We engaged the family members to share the joy of

painting their home with us, one participant at a time, and soon had the whole family painting! It was a great, very happy experience for all involved!!

Early in our trip, Father Bruno took us to see the houses that Bethlehem Ministry had built in town. Often on the property was the original stick home that had previously sheltered them. At one house, with a yard filled with young children, the grandmother of the family continued to inhabit the stick house, while the daughter, her husband, and her 7 children moved into the new house. Father Bruno confided that he had made a *big* mistake because the result was that grandmother felt quite a bit of unhappiness and jealousy. He told us that he already had \$2,500 to cover half of the construction cost for a new house for grandmother, and wondered if we might divert \$1,500 of the \$3,500 we brought for food relief to add to the house fund. We talked it over and agreed to the proposal. A day or two before we were to leave, Father Bruno took us to the house site. The children all smiled, jumped up and down, and one even clapped to see us. We soon found out why. The stick house was gone, and in its place were men diffing the foundation for a new home. A transformed grandmother hugged Gail and smiled at us, obviously thrilled with the result. The last day of our trip we returned to see cement footings poured, cement blocks, sand, cement and rocks delivered. My guess was that life improved on many levels in that close community when Grand"mamma" was happy.

With the remaining \$2,000 we brought with us, our donation bought enough rice, oil, salted herring, and pasta noodles for us to feed in excess of 350 families for many meals. We packed and distributed the food to groups in Phaeton, Grand Bassin, and two groups in different areas of Terrier Rouge. Father Bruno went to the local leader in the area, asked for help in identifying the most impoverished, had the leader give out coupons to them, and when we arrived, those with coupons were able to redeem the food with them. The process was orderly and fair.

While we were at Bethlehem Ministry, we had a wonderful church service on Sunday led by Father Bruno, and daily devotions each morning led by our team members in turn. I must say, however, that even if we had not been studying God's word together, it was obvious that His Presence was working in this place. The scrubbed and shining faces of the children at the school; the earnest and enthusiastic efforts of the members of the band at band practice; the wonderful young men, Edward Josef and Lenaud and his brother, who assisted us in many ways; Madam Bruno and Dominique who made our stay so comfortable; and Father Bruno who quietly orchestrated our experience in Haiti, all radiated the love of God. Wherever I go, when I hear the popular tune that the band practiced all week, I will be transported back in time to Haiti. For our family at Fort Hill Presbyterian, and the peoples in Haiti and around the world, may we always have the assurance that God will, "Stand by Me".

Mary Barron, FHPC Mission Outreach team member

In the evenings we had time to reflect on what we had accomplished that day, and talked about the ways our church could help Bethlehem Ministry and this impoverished nation of Haiti

- Join us on a return trip and experience Haiti, extending the love of our church to those less fortunate.
- For \$5,000 we can build a house from concrete blocks with a concrete floor.
- For \$300 we can send a child to school, pay for the uniform, lunch, books, tuition, and medical care.

Items needed: water bottles, carafes for the kitchen, long cotton dresses, cotton shirts for men and women, shorts for children, underwear and socks for children, soccer balls.

**Bethlehem Ministry** is a 501(c) Corporation. If you wish to make a donation, send your donations to:
