## Staff Book Recommendations

Our April book recommendations come from the 2 day Honeybee Class. Check out some of their favorite spring book selections below.

### Moonbear's Shadow by Frank Asch

It surprised us that bear could not make his shadow go away. Then we learned what makes our shadow and figured out how bear was finally able to catch the fish. Great problem solving story, funny and cute.

### Bug, Bugs, Bugs by Bob Barner

You will love this book even if you do not like bugs. The bright colorful pictures and the simple but true facts will keep you turning the pages. We really liked the actual size Bug Chart along with a Bug-O-Meter full of comparisons.

### Max's Chocolate Chicken by Rosemary Wells

This book will keep you laughing. When Max and his older sister Ruby go out to find eggs, Max finds everything except eggs. Who will win the prize? Sweet story of patience and love between siblings.

Wow! It is hard to believe we are approaching the Easter season. We have so much to reflect on and celebrate during this time. We are thankful for the opportunity share about Jesus and what he has done for us with your children. If you need any resources to continue these conversations at home please reach out to me!

## NEWS

- ☂ There will be no school Friday, April 2<sup>nd</sup> thru Friday April 9<sup>th</sup> for Spring Break! We look forward to everyone's return on Monday, April 12, 2021 and Tuesday April 13, 2021.
- ☂ Priority registration is now closed. Some of our classes do have waiting lists. We do have space available in our 3s classes. Please spread the word!
- ☂ Now is a good time to revisit our policies and procedures. They are posted on the preschool website as well as in our handbook that was sent home the beginning of the year. Reminders—no sippy cups, or toys (unless requested by the teacher).
- ☂ Pick-up starts at 11:45 and concludes by noon. Please be reminded that our pick up zone is a hand holding zone. Our street is a public street and we do not have control of the cars that come down this road. Please be extra vigilant and hold your child's hand while they are getting in and out of the car. Their safety is our number one priority and we need your help ensuring this!
- ☂ Owl and Whale classes please mark your calendars for the Mother's Day Tea. We will hold the Mother's Day Tea on May 5<sup>th</sup> (Whales) and May 6<sup>th</sup> (Owls) at 10 AM (weather permitting). The tea will be held outside under the tent in the courtyard. We look forward to celebrating the wonderful mothers you all are to our four year olds!
