Pandemic Living; All in this Together

Friends in Christ,

As we continue to live through a pandemic, adapting, pivoting, many of us are tired, confused, frustrated, angry, or feeling fine or guilty for feeling fine when others are not. Paul writes, "Do not be anxious..." to the Philippians, but we might want to say, "Easier said than done, brother Paul." So maybe you are...

...tired, so tired of living with changes, disappointments, ready to retreat rather than join the world. I understand. Jesus says, "Come away to a quiet place, and you will find rest." Sabbath is a gift God gives, and we receive. Practice rest.

...afraid to come to church or gather with friends, while others are. That is ok. I understand. We are with you in spirit, love you, and remember you. Reach out. Practice connection.

...angry at decisions made by church leaders, the school, city, state, nation, world. I understand. It feels like every decision is a no-win situation. So, breathe in the mercy of God, and breathe it out. Practice peace.

...anxious to get on with life, be done with this, stop with the sanitizer, masks, and protocols. I understand. Patience is a gift that we certainly run out of. Go to the well of God's grace and fill up again. Practice grace.

I see you and hear you, friends in Christ. We are living through this together, but everyone has a different experience. Your pastors are here for you. We are here for one another. God is here for you. Please let us know how we can support, care and pray for one another. Finally, wherever we are in this pandemic, let's turn to the practice of prayer, and know God's wholeness and shalom, the peace that passes all understanding.

⁶⁻⁷ Don't fret or worry. Instead of worrying, pray. Let petitions and praises shape your worries into prayers, letting God know your concerns. Before you know it, a sense of God's wholeness, everything coming together for good, will come and settle you down. It's wonderful what happens when Christ displaces worry at the center of your life. (Philippians 4:6-7, The Message)

Together in Christ,

Laura Conrad, Pastor

Choir Corner

June means school is out, and we can have vacations and see family. June means Montreat Worship and Music Conference and being able to attend in person this year June 20 – 26!!!

Last year the conference had to move to a virtual offering. It was amazing what they were able to do. I remember congratulating Kelly Abraham, the executive director of the Presbyterian Association of Musicians (PAM) on an amazing accomplishment. She shared with me that on the first night of the conference in an empty auditorium (except for a tech crew and a few staff), the organist began playing a prelude, and she broke down and wept! She said it was her assurance that even though it was a very different environment than having 800 people there, God's presence was there. It was clear that music could still be made together whether we were 2 miles or 300 miles apart and in the middle of a pandemic!!!

With that being said, how thankful I am that we are making music at the Fort. It has been very different and challenging, but how blessed we are with people who want to give of their musical offerings. Judy Bonham has been a lifesaver playing wonderful music on the organ and also having small handbell groups share their gifts. We have faithful singers who are giving of their time and talents and feeling safer being together after vaccinations! There is nothing like a growing experience to put things in perspective.

So as we open doors and do a little more together in a safe environment, let us remember that it is always God we are praising.

To God Be the Glory, Great Things He Hath Done!!!

Smiling-n-Singing,

Margaret

Preschool Update

The Preschool has wrapped up our 2020-2021 school year with our last day being held on May 19, 2021! Thank you all for your continued support of what has been a difficult yet fruitful year. I want to especially thank those that are on the Discipleship Ministry as well as the Return to Church Task Force in their diligent work over last summer to help get us back up and running this school year. We were able to operate this entire year with under 10 mild cases of COVID within our building. The teachers did a wonderful job of adhering to the COVID policies established and we feel our policy kept the spread to minimum when COVID cases were present. Thank you all for your prayers and feedback on what has been an uncharted year. The joy from the children and parents this year has made all the challenges worth it! We are looking forward to the 2021-2022 school year with 53 children registered! We have a few 3 year old spots left—spread the word!

We would also like to recognize one of our teachers, Sharon Match, for being with us for 15 years! Sharon is our 3-day four year old teacher and anyone who knows her knows the passion in her heart for her "Whale Class". Sharon truly desires for every child that comes into her classroom to feel the love of Christ and her teaching and actions embody this! We are so privileged to have had Sharon as one of our teachers for 15 years (plus more to come!). Thank you Sharon for your dedication to Fort Hill Preschool and the legacy you give to the "Whales" of Fort Hill Preschool.

The Fort Hill Preschool Board is currently seeking applications for the position of Director. For more information, please contact Marcia Barker, Preschool Board Chairperson 864-654-6066 or mrsb@clemsun.edu.

Christian Action Ministry Update

International Missionary Update: African Congo Ministry With Larry and Inge Sthreshley

By Cal Sawyer, CAM Member

Fort Hill Presbyterian Church has a longstanding legacy for supporting the work of international missionaries via Presbyterian Mission. Currently, through your Christian Action Ministry, financial contributions facilitate sharing God's love in Africa, Haiti and on the US-Mexican Border. I have communicated with Larry Sthreshley and received an update on their ministry in the Democratic Republic of Congo (DRC), which I'd like to share with the congregation.

FHPC began their official support of Larry and Inge Sthreshley's ministry over a decade ago. As a health liaison Larry assists with the development of the health ministries of churches and their role in the health system of Congo. His work involves designing and managing comprehensive health programs that work from the community level up through the ministry of health. The programs have a special emphasis on equitable health care financing, high impact interventions to reduce maternal and child mortality, and programs to address gender-based violence. Larry is also the chief of party of the ASSP (a French acronym that means Access to Primary Health Care) project and chairman of Good Shepherd Hospital (IMCK).

Larry and a staff of about 30 people implement Project ASSP. The project's goal is to work with the government, churches and the community to develop a resilient health care system that provides affordable health care and preventive services to **8 million people** in five provinces of the country. The project addresses issues such as health infrastructure, primary health care, malaria, water and sanitation, vaccinations, nutrition, family planning, HIV, and gender violence. It also does some limited work in agriculture.

Inge also works on the nutrition, home garden, and clean cook stove components of the ASSP project in addition to giving oversight to the Methodist Presbyterian Hostel (MPH), which is a mission guest house and small conference center. MPH provides a much-needed service to Presbyterian and Methodist mission workers, national and international church groups, work teams and individuals working in partnership in Congo.

Inge's work at the Methodist Presbyterian Hostel facilitates mutual mission between groups from the United States and Congolese partners. *"MPH provides a place for people to stay as they pass through on their way to the interior of the country or as they work in Kinshasa. We facilitate many meetings and conferences,"* she says. *"MPH is a place where people make connections that significantly impact their work in Congo. It is a real blessing to many people."*

Larry Sthreshley says *"experiencing the wonder of being part of God's plan"* motivates his ministry in the Democratic Republic of the Congo. Larry and Inge began what Larry calls *"an amazing journey of mission service"* more than two decades ago. *"When I started, I could not even envision all that God would lead me to be involved in,"* Larry says. *"Over the years I have moved from helping the church manage a handful of clinics in Kinshasa to creating one of the largest church-run health programs in Africa."*

Both Larry and Inge grew up as children of missionaries in Congo. Larry's parents were Presbyterian missionaries who served in the two Kasai provinces in the south-central region and Inge's parents were Methodist missionaries who served in Katanga province in the far southeastern section of the country. The Sthreshleys are the parents of two children, Lisa and Michael. Lisa was born at the Presbyterian-supported Good Shepherd Hospital in Congo.

You can find out more about their work and read letters from the Sthreshleys at the PCUSA [Presbyterian Mission web page](#).

This update was composed through direct correspondence with Larry Sthresley and Presbyterian Mission.

Church Mouse

Oh my, it is graduation time. Mama Mouse and I have watched some of them grow up in this church. We cannot believe they are now seniors. Those wonderful young folks came to church in their cap and gowns one Sunday: Luke Artigliere, Bennett Bost, Ford Fagan, Bryant Garrison, Cooper Hays, Olivia Mueller, Tyler Miller, Cody Satzger, Stephanie Smith, Sydney Weeks, Ally Wilson & Tipton Wright. Plus, some of our PSA students finished their Clemson degrees too: Freddy Matney, Kayla Bigham, Tim Wayman, Brown Cutler, Ethan Wescott & Charlotte Niedenbach. We celebrated their graduation at an earlier service.

I heard we have some more elders and deacons joining our Session and Board of Deacons: Elders – Paige Durham and Cyndi Davis, Deacon – Joyce Daley. Thank you for serving. The new ONC is chaired by Robin Weeks with Jennifer Griffis, Craig Horton, Josh Young, Denise Anderson, Jacquie Worley, Sally Martin, Ben Bronson & Bob Williamson. As I was running around, I heard about a class called Safe Talk directed by our very own Dr. Erika Hays.

Music to our ears – bell choir played one Sunday: Mark Kwist, Caroline Thomas, Jacquie Worley, Beth Weber under the direction of Judy Bonham. Plus, the various choir members sang: Mark Morrison, Garland Gravely, Charles & Mary Barron, Mark & Robbi Stokes, Chip & Diane Egan, Ronda Ricks, Judy Blackwell, Jacquie Worley, Cindy Sloan, Rameth Owens, Jim Dusenberry, Jim Barker, George Dunkelberg, John Sherman & Karen Ware under the excellent direction of Margaret MacKay.

Thanks to all who have served the church.

PW SPRING BIRTHDAY LUNCHEON

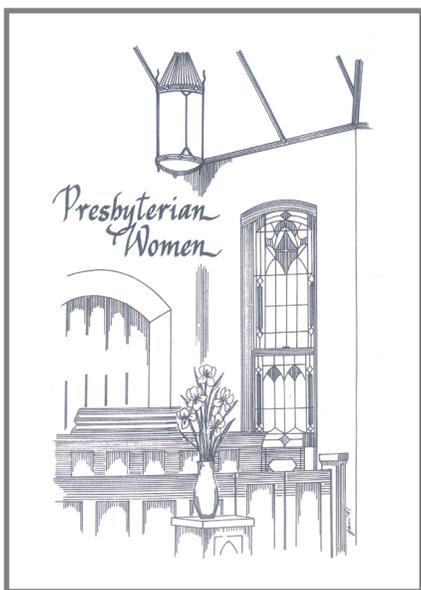

Our PW Spring Birthday Luncheon on Sunday, May 2, 2021, was a big success! Many thanks to Barbara Madison, Pam Waddle, Jill Foster, and Donna Crader, and their team of volunteers for their leadership in organizing and implementing the arrangements for this much anticipated spring event! This year, due to the pandemic, we drove by Fort Hill Presbyterian's porte-cochere in the handicap lot to congratulate our new PW Honorary Life Membership recipient, delivered our donations for the PW Birthday Offering, greeted our PW Birthday organizers decked up in their festive spring millinery, and enjoyed a beautifully-decorated and delicious cupcake with our PW sisters.

A tradition begun in 1957, and one of the highlights of our PW Birthday Celebration, is to present our cherished PW Honorary Life Membership Award to an outstanding woman or man from our church who demonstrates through word and deed the characteristics of Christian service. The selection process begins with nominations collected throughout the year, the committee meets, makes a choice, and the selection is always shrouded in secrecy until our PW Birthday Celebration. It is always a big surprise!

This year our recipient for the PW Honorary Life Membership Award is Jan Beckwith!

Congratulations, Jan!

The 2021 Presbyterian Women's Honorary Life Award recipient has been an active member of Fort Hill church for fifty-eight years! Wow! She has provided support to VBS for multiple years, taught 3rd & 4th grade Sunday School, prepared meals for families, enrolled in Family Promise and has ensured that donated clothing has been given to Mission Haven & Safe Harbor. For more than forty years, the inductee has been a faithful participant and a leader in the Presbyterian Women's organization. She served as the PW moderator for three years, as PW historian, as co-leader and secretary to the Circle of Hope (formerly circle 5). Also, this lady has served as an elder, clerk of the church session and sang in the church choir.

As an interior decorator by trade, she has shared her talents with our church and the community. As a member of the building committee, provided guidance to the design and furnishing of the current church library, designed the covers for seven PW directories, program covers for productions of the Clemson Little Theater as well as the Children's Theater. She has shared her calligraphy gifts with Fort Hill Church (pictured left), the League of Women Voters & Phi Beta sorority.

She is known as her neighborhood guardian angel, frequently preparing meals and providing transportation to her neighbors in their time of need. The inductee is someone who has given long and dedicated service to the church and daily reflects the love of Christ. **Congratulations Jan Beckwith!** You are the 2021 recipient of the Presbyterian Women's Honorary Life Award! Well done! Jan grew up in Newhall, Iowa. She met her husband Bill at Iowa State University and they married in 1958. Jan, Bill, their son Steven moved to Clemson in 1963 and joined Fort Hill Church. Jan and Bill have four children and two great grandchildren.

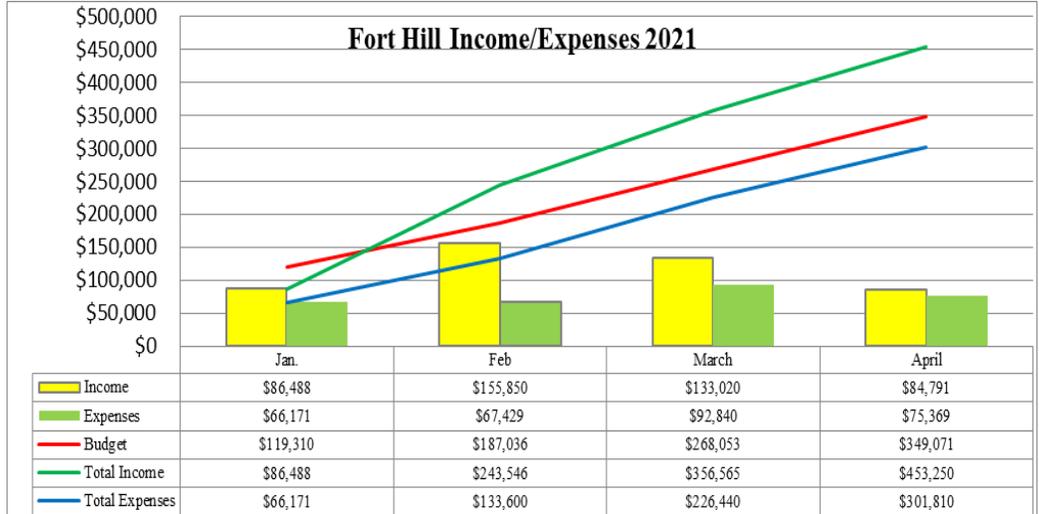

Have a safe and God-filled summer filled with bountiful blessings!

Finance Ministry

From the Finance Ministry – Through April, total income was \$453,250 while expenses for the first four months were \$301,810 for a surplus of \$151,440. Overall expenses are at 29% of budgeted, while income is at 45%. As you can see, income remains above budget while expenses are about 4% below budget. Some expenses are lower than budgeted during this pandemic, and thanks to your financial support, Fort Hill is able to continue its ministries

to members, community and around the world. **Thank you!** If you are not present at Church, your contributions can be made by mail or online through the Fort Hill web site.
