Staff Bio of the Month:

Kayla Webb, Director

Fort Hill is so special to me! I am beyond blessed to be in my first year as Director of such a wonderful preschool. My husband, Brad, and I have two girls, Kate (8) and Molly (5). We also have a 7 month old Golden Retriever, Birdie! I have a degree in Elementary Education from Clemson University-Go Tigers! I taught for seven years before staying home with my girls and recently taught Kindergarten the last 2 years. Being the director at Fort Hill is a dream, and I'm so excited to be able to watch your children learn and grow through the years!

CHAPEL NEWS

I have enjoyed getting to know your precious little ones in chapel these last few weeks. In September, we have learned how creative God is when we all worked together to tell the story of Creation. The children learned about making good choices with Adam and Eve. They also helped to get all of the animals into Noah's Ark!

In October, we will go on an adventure with Moses & the Israelites as they escape from Egypt and make their way into the Promised Land. I hope your children are enjoying learning God's story as much as I've enjoyed sharing it with them!
