

CLEMSON PRESBYTERIAN STUDENT ASSOCIATION & FORT HILL PRESBYTERIAN CHURCH (PCUSA)

THE CLEMSON PRESBYTERIAN STUDENT ASSOCIATION is a community of faith which seeks to create relationships with all people who enter our doors. The goal of our ministry is to be a home for any student regardless of sexual orientation, race, economic status, ability or background. Our ministry is based out of the PSA Student Center at 401 College Avenue (in front of Fort Hill Presbyterian Church). All are welcome to come worship, study, and have fun with us!

FORT HILL PRESBYTERIAN CHURCH is a community of disciples of Jesus Christ who share God's love with our community and with God's world. Established in 1895, one of Fort Hill's central goals was to serve the cadets and faculty of Clemson Agricultural College (which became Clemson A&M College and Clemson University). Over 125 years later, our college town ties are still a focus as we serve Clemson University and the broader community.

CLEMSON IS LOCATED in the northwest corner of the state of South Carolina, midway between Atlanta and Charlotte and thirty minutes from Greenville. With the Blue Ridge Mountains and three lakes in our backyard and the coast less than four hours away, opportunities to explore and enjoy creation are endless. Modern and thriving, Clemson is a college town with the charm of a historic southern village.

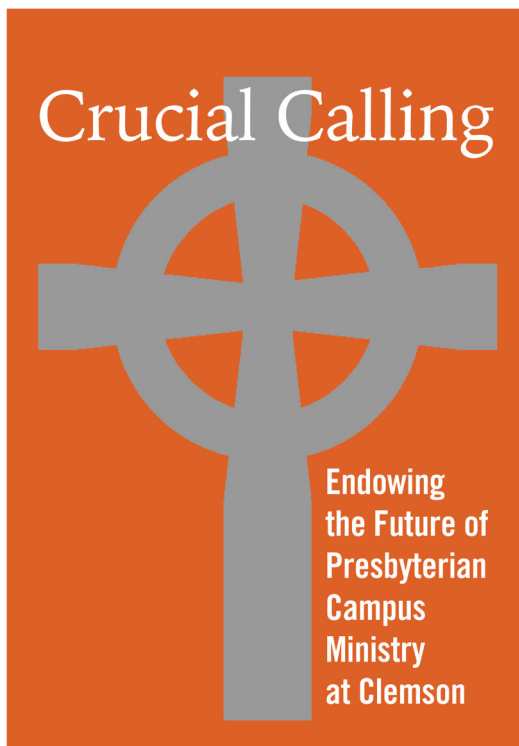

CLEMSON PSA PROGRAMS AND MINISTRY

PSA MEETS WEEKLY at the PSA Student Center for dinner, fellowship, sharing and a program. These programs may include a speaker or a mission project or a time of getting to know each other. We also gather weekly for a Bible Study. These gatherings always have plenty of laughter, excitement, and good discussion. We are willing to take on hard topics with openness while realizing that not every question in faith can be answered.

SPECIAL EVENTS INCLUDE a fall retreat at Montreat, participation in the Montreat College Conference (January), a spring-break mission trip and an end of the school year beach week in addition to leading worship at Fort Hill in the spring. Students are encouraged to become involved in the many ministries of Fort Hill.

PSA IS ACTIVE IN THE COMMUNITY through its participation in Fort Hill's Trunk or Treat, Habitat for Humanity, Clemson Community Care, Helping Hands and other volunteer groups. We enjoy being part of the intramural program at Clemson (as the Fighting Llamas)

OVER THE YEARS, PSA HAS BEEN FUNDED through the generous giving of churches alongside the support of the Foothills Presbytery and Fort Hill Presbyterian Church. However, with recent financial changes, our funding model has changed. Over the past three years, Fort Hill has been taking part in a capital campaign to address this "Crucial Calling" in ministry. We are so excited to announce that we have raised more than 1.3 million dollars in order to support and sustain campus ministry at Clemson.
