FAITH IN ACTION

We are in the growing season of life here in our college town. As a church in the center of that town, we are blessed to welcome the stranger in the guise of students, newcomers, and new staff and faculty. Situated on this hill since 1895, our mission is to minister to this community. Our windows are lit up to remind this community of the ever-present God who loves us with an everlasting love. This church was here before any of us arrived and was ready to open its arms to us. This church is a gift entrusted to us by God.

Faith is a gift to us from God, too. What we do with it is a response.

Speaking to the early church, Peter writes, "Each of you should use whatever gift you have received to serve others, as stewards of God's grace in its various forms." Faith is a gift of God's grace, but it does no one any good unless it is "put to use" or stewarded.

This is our annual fall stewardship season, a growing season. Stewardship is about using all the gifts God has entrusted to our care, for the sake of his Kingdom. That Kingdom is one in which the lost are found, the rich are set free, the poor are cared for. That Kingdom is where the left out, lonely, and unloved find

healing. Our stewardship of what we have received is to serve God's vision and purpose.

Here is how you can help:

1. Listen to God's Word as we explore God's faith in worship October and November.
2. Pray about one new way you might practice faith in action.
3. Make an annual giving pledge, a financial commitment, to respond to God's abundant grace in your life.

Thanks be to God, for the faithfulness of generations before us, who put faith in action. Now is our time to be faithful stewards of the gifts God has

given to us. Those who come after us will know God's grace and love because we also put faith in action and have done our part!

In God's Grace.
